Quality Services You Can Depend On

Jamison Professional Services, Inc. (JPS) is a customer driven 8(a) certified (GSA TAPS Schedule 736, GS-07F-0065N), Service Disabled Veteran Owned Business of highly skilled management and staffing professionals. JPS maintains a Secret-level Facility Security Clearance. Our staff has a proven record of providing superior contract administration and services supporting single and multiple locations delivering quality and consistent services on a daily basis.

JPS is a premier management, consulting and staffing firm providing a broad array of services to our client's throughout the Continental United States and abroad. We offer creative and unique solutions to meet our client's ever-evolving needs. Since our inception in 1993, JPS has evolved from a staffing agency into a management service organization that offers its clients a wide variety of services in the federal government, private and public sectors.

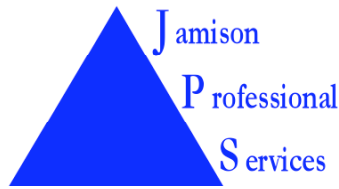

Our vision is to create and establish successful multi-service organizations globally that offers quality services, a true partnership, and an employee-centered working environment, which serves as a model of excellence for our clients, employees and partners.

A major area of JPS' core competencies is embedded within our ability to efficiently and expeditiously manage projects from cradle-to-grave, especially when contractors change. JPS ensures a seamless transition of in-place employees, which greatly benefits the respective employees, projects and our clients. JPS recruits, screens, tests and interviews candidates for both small and large volume contracts, purchase orders, and task orders, through our three GSA Schedules. Please see our profile on the reverse for more information.

JPS looks forward to the opportunity to serve your agency in exceeding your mission goals.
